Dear \*\*\*\*\*,

We are very excited that you will be joining our team soon and we are looking forward to welcoming you.

We have included some photographs of our school and some key people that might help. We suggest that you look on our school website so that you feel you know a little more about us.

We can't wait to find out all about you and what you enjoy doing so when you arrive at school we will fill in the 'all about me' book. We can discuss this and take a look at it together. When you arrive at Cottesmore Academy you will either be met by myself, Mrs Lucas, or by Mrs Dowling as she is the Transition Officer.

We will enjoy working with you to help you settle in quickly and happily. Hopefully you will soon feel part of the Cottesmore team.

We look forward to meeting you.

Kindest regards

Mrs Lucas
