

Deployment Form

We will use the information on this form to support our Musketeer sessions and to ensure that class teachers are fully aware of deployments. We are more than happy for you to come into school and talk us through the deployment and we can fill out the form together if you would like to. This form can also be used to tell us about any changes to working routines or base ports etc.

Name of child	
Parent deploying	
Details of deployment (<i>where possible, these can be as vague as you need them to be</i>) This allows us to talk to your child about things relevant to your deployment, ie the ship or the country you are in and use our map	
Service Number and BFPO Address	
Rough date expected home	
Anything else you think we should know? Ie any dates of special events happening before/during deployment such as birthdays	
Does your child have one of our knitted dolls?	
If this deployment falls during a transition time are you happy for us to share this information with your child's new school?	

Don't forget you can always chat to one of our Service Team – Mrs Bosustow, Mrs Halbauer and Mrs Sanger.
