These things are important to me:

People	Places	Things

A central diagram for self-reflection. It consists of a central rectangular box with a speech bubble pointing to it from the top. To the left of the central box are two more speech bubbles, one above the other. To the right of the central box are two more speech bubbles, one above the other. Each of these four outer speech bubbles has a smaller, light blue rounded rectangular box next to it containing a specific question or prompt.

My favourite subjects

I want my teachers to know...

What helps me at school...

Sometimes, I worry about...
