

Welcome to Talavera Infant School

Class

Dear Parents,

At Talavera Infant School, we work hard to help children settle in quickly, both socially and academically.

As part of our induction process one of our Emotional Learning Support Assistants will meet with your child several times during their first few weeks to make sure they are settling in well. They will talk about their new class and friends and help them get to know our school.

In the first session, they will fill in the first part of this booklet to share it with their teachers and parents. Part 2 is for you to complete at home and share your views alongside your child's.

Please return the booklet to school, via your child's teacher. We will respond to your comments and queries where appropriate.

Kind regards

Mrs Cook

All about me...

Talavera Infant School

At my last school I enjoyed learning about:

Talavera Infant School

These are some of the things I like about Talavera Infant School:

A large, empty rectangular box with a thick black border, intended for a student to write their response to the question above. The box is currently blank.

Is there anything you don't like or anything you would like us to help you with?
